## The Kenya Conference of Catholic Bishops

## And

## The Executive Committee Rehabilitation of the Marian Spring – Subukia National Shrine

Warm greetings,

I hope this message finds you well.

Following the success of our first Harambee, where we were able to raise **Ksh 7 million**, we are energized and optimistic as we continue working toward our overall target of **Ksh 25 million** to rehabilitate the **Marian Spring at the Subukia National Shrine**—a site of immense spiritual, cultural, and ecological importance.

To build on this momentum, we are pleased to invite you to partner with us for two upcoming events:

- The Subukia Shrine Charity Golf Tournament on May 3rd, 2025, at Nyahururu Country Club
- A Fundraising Dinner and Prayer Evening on May 9th, 2025, at the Consolata Shrine Alamano Center

Both events are part of our continued effort to restore and preserve the sacred site of Subukia, which serves thousands of pilgrims each year. Environmental degradation and time have taken a toll on this treasured space, and your support would directly contribute to its renewal and sustainability.

We believe your organization's values align strongly with this mission. Becoming a sponsor or donor not only advances this noble cause but also places your brand at the forefront of heritage preservation and community upliftment. We would be honored to explore how you can be part of this impactful journey.

Please find attached further information about the project and available sponsorship opportunities.

Thank you for your time, consideration, and continued support for causes that matter.

Yours Sincerely,

Dr. Wilfred D. Kiboro

**Executive Committee Patron**
